Request to jury for the 2010 Scandinavian Festival

Annually, Junction City hosts the Scandinavian Festival to celebrate our town's cultural heritage. Our theme is "Little Scandinavia" and we expect our performers and vendors to fully support this theme by wearing proper wardrobe and by vending juried products in an "old world style atmosphere." Please follow the guidelines enclosed with this letter closely.

Our jury process entails you to set up a sample of your product(s) for a small committee of 10 to 15 community representatives, board volunteers and vendor committee members to sample and ask questions. This is also your opportunity to ask the committee your questions. After the Saturday jury session, the jury members will fill all openings that we have and recommend a waiting list (if needed) for this year's event.

Jury Location: FESTIVAL HALL – 5th and Greenwood, Junction City, OR 97448
Times: Friday, February 26th, 7:00 – 9:00 PM (building will open at 6:30)
Saturday, February 27th, 10am-12pm (building will open at 9:30)

1. Potential vendors must present their own products to the Vendor Committee. Jury exactly what you intend to sell during Festival, which includes pricing. Be prepared to discuss your entire line of products you wish to vend at Festival. **Only like line products will be allowed (ceramics, wood, jewelry, etc.) All new lines of items will need to be juried before adding.**
2. The vendor committee will complete the juries on Saturday. The Board of Directors will make recommendations, and these recommendations will be final.
3. Selection is based on how each product fits into the theme of the Festival. Some or all of the aspects listed below for the product, booth, and/or vendor will also be based on selection:
 - A. Scandinavian origin of the product.
 - B. Local or Out of the Area Vendor Status.
 - C. Handmade or commercial, (the board limits commercial crafted booths.)
 - D. Vendor understanding of the Festival Booth and Costume requirements (very limited Festival provided space.)
 - E. Product original to the Festival (The board minimizes duplications of products.)
 - F. Salesmanship, presentation, cleanliness, neatness, and pricing.
 - G. There is no fee to jury; the fees are explained separately in the General Information.

Please fill out, remove and return the following lower portion of this form to reserve your preferred time by February 1st, 2010. Keep the upper portion of this form for your records.
